

# CUSTOM GEMS ORDER FORM

Name:

Contact email:

This form will help get the custom order process started as easily and efficiently as possible. Once I have a good idea of what you're looking for, we can get to planning and designing! Don't worry if you're not able to answer all the questions, I'd be happy to help wherever needed in this process.

## General Information

- What is your budget range?
- Is there a date you'd like the piece to be ready by?
- Is there any additional information you'd like me to know?

## Gemstone Preferences

- Specific gemstone type (if any):
- Desired color(s):
- Preferred size:

## Next Steps

- Interested in having your finished gem set in a piece of jewelry? Fill out my Custom Jewelry Order Form to further simplify the design process.
- Feel free to send any reference photos you have with this form.
- Please submit everything via email or DM, I'll link all contact methods below. After submission, I will contact you with a selection of rough gems to choose from based on your preferences.

I'm looking forward to bringing your gemstone dreams to life!
